8 III. A computation of each category of damages claimed by the FTC – who must  
9 also make available for inspection and copying as under Rule 34 the documents or  
10 other evidentiary material, unless privileged or protected from disclosure, on which  
11 such computation is based, including materials bearing on the nature and extent of  
12 injuries suffered – Fed. R. Civ. P. 26(a)(1)(A)(iii)

Pursuant to Section 19(b) of the FTC Act, 15 U.S.C. §57b(b), the FTC will be seeking monetary relief to redress injury to consumers resulting from Defendants' violations of the Telemarketing Sales Rule, including but not limited to refunds of monies paid, and redress for misleading representations and abusive telemarketing. Based on the information currently available, the FTC believes that such monetary relief will include:

19       A. the refund of fees paid by students enrolled in GCU’s College of Doctoral  
20 Studies, less any such payments that Defendants refunded to students. The FTC  
21 estimates Defendants collected approximately \$125 million from roughly 7,500 students  
22 enrolled in doctoral programs. Computation of this monetary relief will be principally  
23 based on information currently in Defendants’ possession, custody, or control, including,  
24 but not limited to:(1) consumer files; (2) financial records of doctoral student payments  
25 and refunds; and (3) information in GCU catalogs and enrollment agreements for GCU’s  
26 College of Doctoral Studies. The FTC estimate of consumer injury is presently based on

1 information produced by Defendant Grand Canyon Education, Inc. in response to  
2 Interrogatory P of the FTC's Civil Investigative Demand, and statements in Grand  
3 Canyon University catalogs, applications, enrollment agreements and financial records  
4 on the tuition and fees charged and collected for dissertation programs and continuation  
5 courses. Moreover, documents produced by GCU as "Ledger Cards" in response to the  
6 FTC's Civil Investigative Demand, labelled GCU-FTC-013674 — GCU-FTC-013695  
7 and GCU-FTC-019158 — GCU-FTC-019180, demonstrate that Defendants possess  
8 information on payments made by doctoral students entitled to refunds. The amount of  
9 refunds and consumers eligible for such refunds may be determined from the sources of  
10 the information in such Ledger Cards.

11       B. redress for injuries from telemarketing calls by Grand Canyon Education,  
12 Inc. to individuals who had requested that Grand Canyon University, its agents, or its  
13 third-party service providers, stop calling them or had placed their numbers on the  
14 National Do Not Call Registry, or both. The telephone call records identifying the  
15 number of such calls, the duration of the calls, and the number of individuals who  
16 received such calls are in the possession of Defendant Grand Canyon Education, Inc.,  
17 and include data produced in response to the Commission's Civil Investigative Demand  
18 designated by Grand Canyon Education, Inc. as:

19       GCE-FTC-CID-017-00000621  
20       GCE-FTC-CID-013-00000003  
21       GCE-FTC-CID-018-00000006  
22       GCE-FTC-CID-013-00000004  
23       GCE-FTC-CID-013-00000001  
24       GCE-FTC-CID-014-00000001  
25       GCE-FTC-CID-018-00000005  
26       GCE-FTC-CID-018-00000007

1       While the records of telemarketing calls provided by Grand Canyon Education,  
2 Inc. are incomplete, and will be subject to discovery in this action, the FTC currently  
3 estimates that, a result of telemarketing campaigns for Grand Canyon University since  
4 May 2019, Defendants initiated more than 20 million telemarketing calls to telephone  
5 numbers that were listed on do-not-call lists at the time the call was made, and these  
6 calls were made to at least 1.8 million different telephone numbers. Records produced  
7 by Defendants and lead providers that Defendants hired to secure written permission  
8 from consumers authorizing telemarketing calls on behalf of Grand Canyon University  
9 show that Defendant Grand Canyon Education, Inc. has been willing to pay \$30 to \$75  
10 per consumer for permission to initiate such calls. Such illegal calls violate the  
11 recipients' privacy and result in lost time and annoyance.

12       C.      Defendants' liability includes pre-judgment interest on redress at the  
13 interest rates applicable to financing tuition and fees with direct student loans for Grand  
14 Canyon University graduate programs, or the statutory interest rate on judgments. *See*  
15 *United States v. Gordon*, 393 F.3d 1044, 1058 n. 12 (9th Cir. 2004). Data tables with the  
16 relevant rates are available from the United States Department of Education and the  
17 Federal Reserve. *See* Fixed Interest Rates for Direct Unsubsidized Loans for Graduate

21       The FTC maintains, or will maintain, this information in electronic and paper  
22 form in the FTC's offices at 600 Pennsylvania Avenue, NW, and 400 7<sup>th</sup> Street, SW,  
23 Washington, DC.

IV. Provide for inspection and copying as under Rule 34 any insurance agreement under which an insurance business may be liable to satisfy all or part of a judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment – Fed. R. Civ. P. 26(a)(1)(A)(iv)

5 The FTC is not aware of any insurance agreement under which an insurance  
6 business may be liable to satisfy all or part of a possible judgment in this action or to  
7 indemnify or reimburse for payments made to satisfy a judgment.
